

The Book of Mormon , part 1

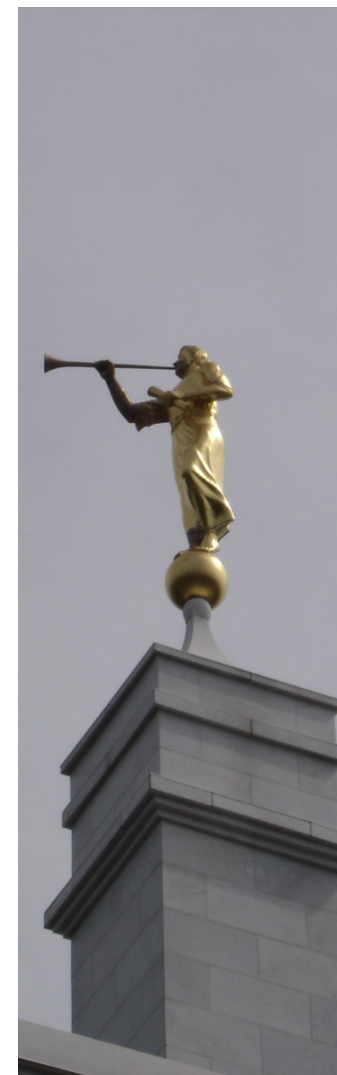

Is it the most correct book?
How does it compare with
the Bible?

Teacher, Yvon Prehn

Our study of the Book of Mormon

- What does the Mormon Church say about it?
- Is what they say true?
 - First we'll look at the book, itself—we'll be discussing content in later lessons
- Evaluation and contrast with the Bible
 - History, who and how
 - Manuscript evidence
 - Archeology, anthropology, theology—next lesson
- First how to approach this study and battlefield of our minds

How to approach the study

- Pray for critical thinking, discernment
- We have an innate tendency to believe people
- Powerful: www.mormon.org
 - Can all these people be wrong?
- Yes for both spiritual and human reasons
- Spiritual
 - Satan, angel of light, 2 Cor. 11:14
 - At the same time.....
 - Heart deceitful, Jer. 17:9
 - Discernment takes WORK & TIME —but it is essential

Battle is in our minds

- **1 Peter 5:8:** Be alert and of sober **mind**. Your enemy the devil prowls around like a roaring lion looking for someone to devour.
- **2 Corinthians 4:4** The god of this age has blinded the **minds** of unbelievers, so that they cannot see the light of the gospel that displays the glory of Christ, who is the image of God.
- **Romans 8:6** The **mind** governed by the flesh is death, but the **mind** governed by the Spirit is life and peace.
- **Romans 1:28** Furthermore, just as they did not think it worthwhile to retain the knowledge of God, so God gave them over to a depraved **mind**, so that they do what ought not to be done.

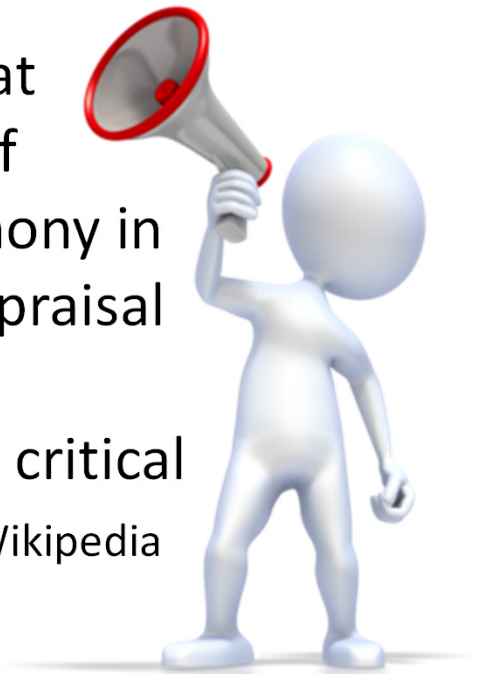

How to think correctly

- **Romans 12:2:** Do not conform to the pattern of this world, but be transformed by the renewing of your **mind**.
- **Ephesians 4:22-24** You were taught, with regard to your former way of life, to put off your old self, which is being corrupted by its deceitful desires; to be made new in the **attitude of your minds**; and to put on the new self, created to be like God in true righteousness and holiness.
- **Colossians 3:2** Set your **minds** on things above, not on earthly things.
- **Philippians 4:7** And the peace of God, which transcends all understanding, will guard your hearts and your **minds** in Christ Jesus.
- **Practical application: Let God's Word fill your mind—the only source of truth**
 - Listen, read, study, memorize, meditate on it

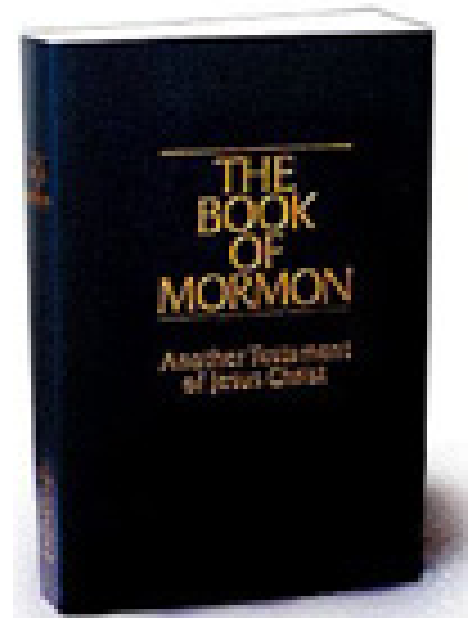

Human reasons we believe lies

- “Group think”
 - “**Groupthink** is a psychological phenomenon that occurs within groups of people. It is the mode of thinking that happens when the desire for harmony in a decision-making group overrides a realistic appraisal of alternatives. Group members try to minimize conflict and reach a consensus decision without critical evaluation of alternative ideas or viewpoints.” Wikipedia
- “Say it loud.”
- Feelings given as the determination of truth
- Truth is what corresponds to reality, see lesson on it
- ***Cannot determine motive, evaluate truth
- ***Value honest, respectful disagreement, challenge***

Mormon view

- I told the brethren that the *Book of Mormon* was the most correct of any book on earth, and the keystone of our religion, and a man would get nearer to God by abiding by its precepts, than by any other book. Joseph Smith, History Of The Church
- The Book of Mormon is the word of God, like the Bible. It is Holy Scripture, with form and content similar to that of the Bible. Both books contain God's guidance as revealed to prophets as well as religious histories of different civilizations. While the Bible is written by and about the people in the land of Israel and surrounding areas, and takes place from the creation of the world until shortly after the death of Jesus Christ, the Book of Mormon contains the history and God's dealings with the people who lived in the Americas between approximately 600 BC and 400 AD.

ORIGINS OF THE BOOK OF MORMON

The Book of Mormon is a historical record of God's dealings with the ancient inhabitants of the Americas (600 B.C. to 400 A.D.) It is holy scripture comparable to the Bible and contains Christ's everlasting gospel. Its central message is to convince all "that Jesus is the Christ, the eternal God, manifesting himself unto all nations."

ORIGINS OF THE BOOK OF MORMON

The story of the Book of Mormon began with a man named Lehi, a Hebrew prophet, who fled Jerusalem with his family and several others, at the instruction of the Lord. Lehi and his sons built a ship and sailed from the Arabian Peninsula to the Americas approximately 600 B.C.

Lehi's family grew after they arrived in the Americas. His family eventually split into two groups, known as the Nephites and the Lamanites. The Lord continued to call prophets in America and they recorded their teachings on metal sheets or plates and passed them on from generation to generation.

ORIGINS OF THE BOOK OF MORMON

About 322 A.D., a prophet named Mormon, compiled a history from many ancient records written by prophets into one set of golden plates. The faithful Christians among them eventually died out, but not before their record was safely hidden away. God guided Joseph Smith to these golden plates in 1827.

ORIGINS OF THE BOOK OF MORMON

With the Lord's help, Joseph Smith translated the ancient writing into what we have today. The Book of Mormon, along with the Bible, testifies that Jesus Christ is the Savior and Redeemer of the world. The Book of Mormon is published in 107 languages including Spanish, Chinese, Portugese, Russian, Tagalog, Samoan, Tongan, and Efik. Over 145,000,000 books have been published since 1830.

ORIGINS OF THE BOOK OF MORMON

Everyone is invited to read the Book of Mormon and find out through sincere prayer if what it says is true. We can feel this confirmation when we study the Book of Mormon with diligence and faith, and pray about it, as promised in the following scripture: “And when ye shall receive these things, I would exhort you that ye would ask God, the Eternal Father, in the name of Christ, if these things are not true; and if ye shall ask with a sincere heart, with real intent, having faith in Christ, he will manifest the truth of it unto you, by the power of the Holy Ghost” (Moroni 10:4).

Conclusions by Mormons

- There is no clash in the principles revealed in the Bible, the Book of Mormon, and the Doctrine and Covenants; and there would be no clash between any of the doctrines taught by Joseph the Prophet and by the brethren now, if all would live in a way to be governed by the Spirit of the Lord.
- No Latter-day Saint, no man or woman, can say the Book of Mormon is true, and at the same time say that the Bible is untrue. If one be true, both are; and if one be false, both are false.
 - Brigham Young, *Journal Of Discourses*

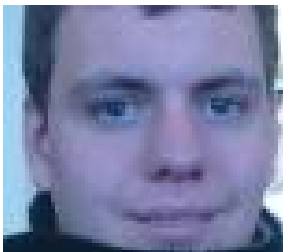

From www.mormon.org

John answered...

Yes, Mormons do believe the Bible to be Holy Scripture. Sadly, there are many different Bibles out there and they teach different principles. Because different Bibles teach Christ's doctrine in different ways, we need the Book of Mormon to correct the confusing bits of doctrine found in the Bible.

Richard answered...

Yes, we believe the Bible to be the word of God. The problem is that it has been translated and edited so many times that some doctrine has been lost. We believe that the Book of Mormon fills in any of those gaps and that between the two we have the fullness of God's Gospel.

Evaluation: how it came to be

- Did Joseph Smith translate the golden plates sitting at a table?
- "In writing for your father I frequently wrote day after day, often sitting at the table close by him, he sitting with his face buried in his hat, with the stone in it, and dictating hour after hour with nothing between us." Emma Hale Smith

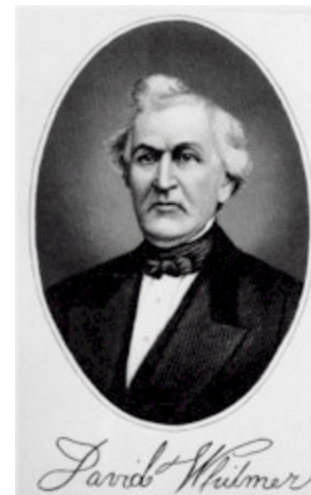

"The Eldest Lady," Mrs. Emma Smith.

From *Rocky Mountain Saints*, by T. B. H. Sturtevant, 1904, p. 188.

Martin Harris testimony

"I will now give you a description of the manner in which the Book of Mormon was translated. Joseph Smith would put the seer stone into a hat, and put his face in the hat, drawing it closely around his face to exclude the light; and in the darkness the spiritual light would shine. A piece of something resembling parchment would appear, and on that appeared the writing. One character at a time would appear, and under it was the interpretation in English. Brother Joseph would read off the English to Oliver Cowdery, who was his principal scribe, and when it was written down and repeated to Brother Joseph to see if it was correct, then it would disappear, and another character with the interpretation would appear. Thus the Book of Mormon was translated by the gift and power of God, and not by any power of man."

"I, as well as all of my father's family, Smith's wife, Oliver Cowdery and Martin Harris, were present during the translation He [Joseph Smith] did not use the plates in translation"

A method Smith had previously used

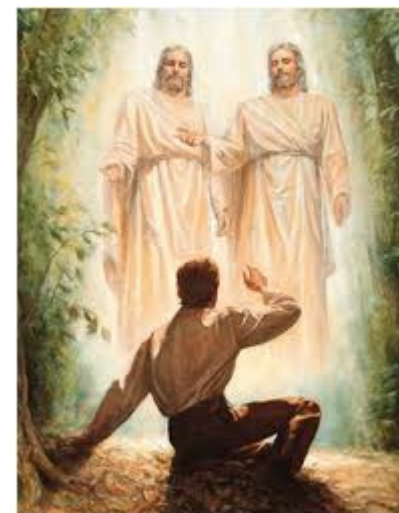

- **Isaac Hale**, the father of Emma Hale Smith, stated in an 1834 affidavit: *"The manner in which he pretended to read and interpret, was the same as when he looked for the money-diggers, with a stone in his hat, and his hat over his face, while the Book of Plates were at the same time hid in the woods.*
- In 1826, four years before the publication of the Book of Mormon, Joseph was arrested, jailed, and examined in court in Bainbridge, New York on the charge of being "a disorderly person and an impostor" in connection with his use of a peep stone to search for buried treasure. While the evidence indicates he was found guilty of this charge, the young Joseph was apparently released on the condition that he leave the area. from [www. Irr.org](http://www.Irr.org)

Origin of the message, important

- *It is difficult to avoid the conclusion that the LDS Church wishes to distance itself from the compelling evidence that Joseph Smith both discovered and produced the Book of Mormon in a context of magic/divination/ clairvoyance*
- Divination (div-i-nay-shun): "Discovery of what is hidden or obscure by supernatural or magic means." OED From: www.irr.org
- "But even if we or an angel from heaven should preach a gospel other than the one we preached to you, let them be under God's curse!" **Galatians 1:8**

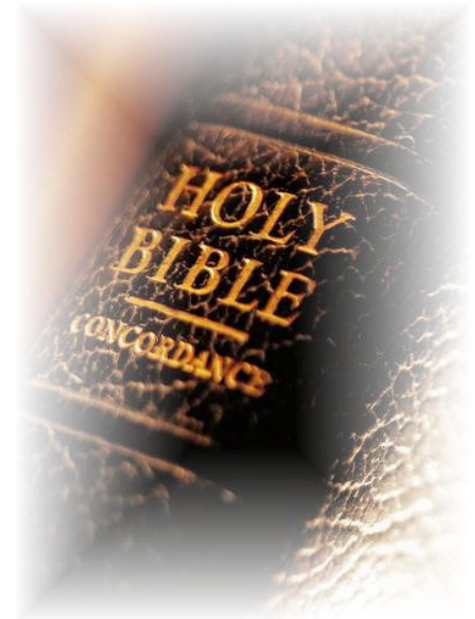

Contrast: origin of the Bible

- 2 Pet. 1:17 For we did not follow cleverly devised stories when we told you about the coming of our Lord Jesus Christ in power, but we were eyewitnesses of his majesty. . . .¹⁹ We also have the prophetic message as something completely reliable, and you will do well to pay attention to it, as to a light shining in a dark place, until the day dawns and the morning star rises in your hearts. ²⁰ Above all, you must understand that no prophecy of Scripture came about by the prophet's own interpretation of things. ²¹ For prophecy never had its origin in the human will, but prophets, though human, spoke from God as they were carried along by the Holy Spirit.
- 2 Timothy 3: 16: All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, ¹⁷ so that the servant of God may be thoroughly equipped for every good work.

More confirmation for the textual trustworthiness of Biblical documents than any other ancient texts

- **Dead Seas Scrolls:** Discovered in 1947 in Qumran, a village about twenty miles east of Jerusalem on the northwest shore of the Dead Sea
- They include manuscripts or fragments of every book in the Hebrew Bible except the Book of Esther, all of them created nearly one thousand years earlier than any previously known biblical manuscripts.
- Dating
 - Manuscript evidence: from 3rd century BC into first century AD
 - Verified by Carbon 14 dating
 - Archeological Dating: Pottery and coins from 150 BC to about 100 AD.

Typical early manuscript: Matthew

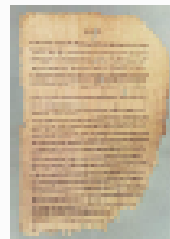

- **uncial
- **no breaks in the words
- **on papyrus from 200s

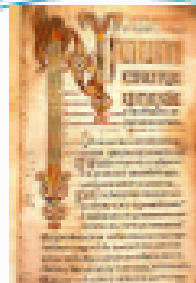

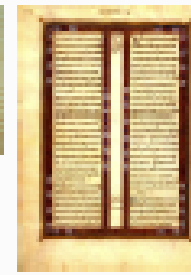

The oldest NCE fragment from the Gospel of John.

Dated possibly prior to 100 AD, certainly prior to 150 AD. Found in Egypt.

- New Testament fragments in DSS
- Fragments found from Mark, Acts, Romans, 1 Timothy, 2 Peter, James, ***prior to 100 AD, most dated 50-70 AD***
